

Pre-Payment Agreement for Inmates

I _____ am making a prepayment of \$650 for my first month's Program Fees plus \$50 Administrative Fee to Lighthouse to hold a bed for me so that I can move in immediately upon my release from DOC.

I understand that the Administrative Fee of \$50 is Non-Refundable.

I further understand that the first month's fees of \$650 are refundable only if I do not get approved for early parole. In that case the first month's fees will be refunded to the person who made the payment.

I understand that if I am granted early parole, that Lighthouse will be holding a bed for me, and my first month's Program Fees will not be refunded under any circumstances. I further understand that if I delay my arrival to Lighthouse, that I will be charged for my first month beginning the day of my release.
