About Lighthouse

Empowering recovery since 2010

Our Mission

Lighthouse empowers men and women to overcome addiction and rebuild their lives by providing safe housing, a supportive community, and the tools for lifelong recovery.

Since 2010, Lighthouse has helped more than **1,700** individuals in Northern Colorado find stability, maintain sobriety, and transition out of homelessness. Many of our residents arrive with no safe place to live, limited support systems, and significant barriers to housing and employment. At Lighthouse, they find more than housing—they find community, accountability, and hope.

What We Do

Lighthouse provides supportive recovery housing for adults experiencing homelessness and recovering from substance use disorders. Our program combines safe, affordable housing with:

- Daily recovery support and in-house meetings
- Peer support specialists and case management
- Employment and resource navigation assistance
- Medication-Assisted Treatment (MAT) friendly housing
- Scholarships for residents facing financial hardship
- Long-term, low-cost housing with no time limit

Our Impact

90%

were homeless
before entry

80%

achieved long-term sobriety

62

residents housed daily
across 6 homes

Every day, Lighthouse helps individuals rebuild their lives, reconnect with their families, secure employment, and become active members of our community.

About the Recovery Run of the Rockies 5K

Lighthouse's largest annual fundraising event

The Recovery Run of the Rockies 5K brings together runners, families, local businesses, and community members to support recovery, housing stability, and hope in Northern Colorado.

Last year's event helped make a dream a reality by supporting the opening of Northern Colorado's first fully staffed, time-unlimited supportive recovery home for women, which welcomed its first residents in January 2026.

This year's event will help sustain that housing while ensuring recovery remains affordable and accessible for individuals experiencing homelessness and recovering from addiction. Funds raised will support the long-term stability of Lighthouse's recovery housing program, including the preservation of the women's home and the continued growth of recovery services for years to come.

Event Highlights

- Professionally timed 5K run/walk through Fossil Creek Park
- FREE Lions Club Pancake Breakfast (open to everyone!)
- Live music and family-friendly activities
- Raffle prizes and sponsor recognition
- Opportunities to meet Lighthouse residents, graduates, staff, and community partners

Why Your Sponsorship Matters

Your partnership helps provide more than housing—it creates opportunities for individuals to rebuild their lives through recovery, employment, peer support, and community. Together, we can ensure that safe, affordable recovery housing remains available for those who need it most.

2025 Recovery Run Impact

- ✓ Nearly 200 participants
- ✓ Over \$20,000 raised
- ✓ Helped open the first fully staffed, time-unlimited recovery home for women in Northern Colorado
